New Titles Catalog

November 2023

To Our Valued Customers,

For more than 25 years, with your help, Curran Associates has grown to be one of the world's premier conference proceedings specialists. We'd like to extend our deep thanks to each of you for your loyal business relationship over this time.

In recent years, many conference proceedings have shifted from printed format to electronic. Though electronic media provides some advantage, there are many users who prefer print. In order to continue to satisfy our library clients that prefer print, Curran Associates has secured agreements with hundreds of technical publishers to produce printed versions of conference proceedings from their electronic media.

These printed versions are not available from the original publishers.

The books are printed and assembled with a perfect bind, using a soft cover (100# semi-gloss cover stock). They are professional, sturdy, clean, and filled with the same research provided on the electronic media.

For an updated listing of all of our titles, please visit our website at www.proceedings.com, where you can browse by publisher or by thirteen different categories. Please check back from time to time, as we are continually adding new titles.

We look forward to continuing our relationship and working with you to satisfy your unmet needs for printed conference proceedings.

Regards,

Dave Curran
