

2011 First International Workshop on Requirements Engineering for Social Computing

(RESC 2011)

**Trento, Italy
29 August 2011**

**IEEE Catalog Number: CFP1158P-PRT
ISBN: 978-1-4577-0948-7**

TABLE OF CONTENTS

The First International Workshop on Requirements Engineering for Social Computing	1
<i>F. Dalpiaz, A. Chopra, S. Lim</i>	
Back to the Future: an Interaction-oriented Framework for Social Computing	2
<i>M. Baldoni, C. Baroglio, E. Marengo, V. Patti, A. Ricci</i>	
Methodologies for using Social Media Collaborative Work Systems	6
<i>B. Solomon, D. Duce, R. Harrison</i>	
External Influences and Integration as Requirements in Online Community Development	10
<i>E. Vanhala, T. Kahkonen, U. Nikula, K. Smolander</i>	
Social Software Product Lines	14
<i>R. Ali, C. Solis, F. Dalpiaz, W. Maalej, P. Giorgini, B. Nuseibeh</i>	
Analysing Social Computing Requirements with Small Group Theory	18
<i>A. Sutcliffe</i>	
Social Threats and the New Challenges for Requirements Engineering	22
<i>F. Dalpiaz</i>	
Social Computing: Principles, Platforms, and Applications	26
<i>A. Chopra</i>	
Incentives in Service Level Agreement Establishment The Case of Economic and Social Aspects	30
<i>W. Michalk, C. Haas</i>
