

2011 IST-Africa Conference Proceedings

**Gaborone, Botswana
11 – 13 May 2011**

**IEEE Catalog Number: CFP1130K-PRT
ISBN: 978-1-4577-1077-3**

TABLE OF CONTENTS

Beachcomber: Linking the “Internet of Things” to the “Internet of People”	1
<i>L. Butgereit, L. Coetzee</i>	
Health Information Systems Integration in Tanzania: Tapping the Contextual Advantages	8
<i>M. Mahundi, J. Kaasboll, H. Twaakyondo</i>	
Seven Characteristics of a Successful Virtual Volunteering Platform	19
<i>L. Butgereit</i>	
The Design, Implementation and Evaluation of Computerized Clinic Patient Management and Clinician Order Entry Systems in a PMTCT Clinic in Uganda	27
<i>M. Kavuma, M. Mars</i>	
Capacity Building for HPC Infrastructure Setup in Africa: The ICTP Experience	35
<i>O. Abiona, C. Onime, S. Cozzini, S. Hailemariam</i>	
Lessons from Monitoring and Assessing EC-funded eParticipation Projects: Citizen Engagement and Participation Impact	43
<i>M. Bicking, A. Triantafyllou, F. Henderson, S. Koussouris, M. Wimmer</i>	
The Potential of ICTs to Empower Rural Women	51
<i>J. Meera</i>	
Federated EHR: How to Improve Data Quality Maintaining Privacy	60
<i>A. Chiasera, T. Toai, L. Bogoni, G. Armellin, J. Jara</i>	
Automating Remote Monitoring and Information Therapy: An Opportunity to Practice Telemedicine in Developing Countries	68
<i>J. Puustjarvi, L. Puustjarvi</i>	
Stop Words for “Dr Math”	77
<i>L. Butgereit, R. Botha</i>	
Challenges and Proposed Solutions Towards Telecentre Sustainability: A Southern Africa Case Study	86
<i>M. Sumbwanyambe, A. Nel, W. Clarke</i>	
Instrumenting and Monitoring the LarKC Research Infrastructure	94
<i>R. Krummenacher, I. Toma, D. Fensel, R. Brehar, S. Nedevschi</i>	
The Analogy of Data within eGovernment Interoperable Ecosystem (AD-eGIE): Utilising Sectorial Information	102
<i>S. Van Staden, J. Mbale</i>	
Evaluating ICT Potential for Improving Health Information Quality in Africa	112
<i>K. Khovanova-Rubicondo</i>	
AAL for Supporting Elderly	120
<i>M. Gams, E. Dovgan, B. Cvetkovic, V. Mircevska, B. Kaluza, M. Lustrek, I. Velez</i>	
MERLINGO - The Adaptation and Accessible Distribution of Study Materials on the Basis of Rich-Media for the Support of the Learning Process in Students with Special Needs	128
<i>I. Martinik</i>	
Earth Observation and Environmental Modelling for the Mitigation of Health Risks such as Cholera, Cardio-Vascular and Respiratory Diseases	135
<i>I. Simonis, M. Merwe</i>	
OpenSensors: A Community Platform to Enable the SensorWeb and Foster Earth Observation Research	143
<i>S. Andrae, I. Simonis</i>	
"SignOn", a Model for Teaching Written Language to Deaf People	153
<i>M. Hilzensauer, F. Dotter</i>	
ICT for Automated Forecasting of Electrical Power Consumption: A Case Study in Maputo	161
<i>C. Sotomane, L. Asker, V. Massingue</i>	
Maximising Return on Investment in I.T. Training- An African Perspective	169
<i>P. Denny, M. Maharaj</i>	
Challenges of E-Government in African Countries: Creating an Enabling Environment in Nigeria	177
<i>R. Dhamodharam, A. Saminathan</i>	
Semantic-Driven E-government: A Case Study of Formal Representation of Government Domain Ontology	185
<i>J. Fonou Dombeu, M. Huisman</i>	
mHealth Applications for Telemedicine and Public Health Intervention in Botswana	194
<i>R. Littman-Quinn, A. Chandra, A. Schwartz, F. Fadlelmola, S. Ghose, A. Luberti, A. Tatarsky, S. Chihanga, D. Ramogola-Masire, A. Steenhoff, C. Kovarik</i>	

A Framework for Cell Phone Based Diagnosis and Management of Priority Tropical Diseases	205
<i>F. Uzoka, J. Osuji, F. Aladi, O. Obot</i>	
Bagamoyo Caravan: Pervasive Learning Game for a Tanzanian Museum	218
<i>T. Laine, M. Duveskog, E. Sutinen</i>	
What IT Professionals Should Know About IT Work in Developing Countries	226
<i>M. Tedre, J. Kempainen, F. Ngumbuke</i>	
Mobi-Incubation User Experience for Rural Entrepreneurs in Emerging Economies	237
<i>E. Chelule, D. Greunen, M. Herselman, A. Veldsman</i>	
Improving the Capacity, Reliability & Life of Mobile Devices with Cloud Computing	246
<i>M. Nkosi, F. Mekuria</i>	
mHealth Applications for Clinical Education, Decision Making, and Patient Adherence in Botswana	255
<i>R. Littman-Quinn, A. Chandra, A. Schwartz, A. Chang, F. Fadlelmola, S. Ghose, K. Armstrong, L. Bewlay, K. Digovich, A. Seymour, C. Kovarik</i>	
The Development and Implementation of eLog Technology for the Local and International Fishing Industry	263
<i>A. Barkail</i>	
Critical Infrastructure Security Modelling and RESCI-MONITOR: A Risk Based Critical Infrastructure Model	278
<i>T. Schaberreiter, J. Aubert, D. Khadraoui</i>	
The Internet of Things – Promise for the Future? An Introduction	286
<i>L. Coetzee, J. Eksteen</i>	
An e-Government Application using Open Source Software	295
<i>M. Squillace, M. Guerrini</i>	
Stimulating Development through Transnational Living Labs: The Italo-Mozambican Vision	303
<i>A. Ciaghi, A. Villafiorita, L. Chemane, G. Macueve</i>	
The Corporate Incident Response Framework (CIRF)	311
<i>T. Pieterse</i>	
An Analysis of the State and Prospects of e-Learning in Developing Countries	324
<i>T. Koponen, M. Tedre, M. Vesisenaho</i>	
Admixture Practises in South African Languages: Impact on Speech-Enabled Technology Design	333
<i>T. Ndwe, E. Barnard, M. Villiers</i>	
A Case Analysis of Factors Affecting the Adoption of Grid Technology by Universities	341
<i>F. Uzoka, B. Akinnuwesi, S. Olabiyisi, D. Alabi</i>	
Proposed ICT-Enabled Services Model for Local Authorities in Kenya	355
<i>D. Ochieng, D. Gichoya, C. Odi</i>	
Living Lab: A potential Change Catalyst for Development in Nongoma	364
<i>M. Mutanga, I. Dlamini, T. Chani, N. Ndlela, M. Adigun</i>	
Crucial Considerations in One-to-One Computing in Developing Countries	372
<i>M. Tedre, H. Hansson, P. Mozelius, S. Lind</i>	
The Perception of the Role of IS in an Emerging Country: The Case of Botswana	383
<i>Y. Ayalew, J. Renken, B. Grand, K. Mgaya, T. Nkgau</i>	
tactusLogic: Programming Using Physical Objects	393
<i>A. Smith, H. Springhorn, S. Mulligan, I. Weber, J. Norris</i>	
An Intelligent Fractions Learning System: Implementation	402
<i>A. Smith, T. Laine</i>	
eHealth for African Countries – Sustainable Strategies	411
<i>T. Jones, K. Stroetmann, A. Dobrev, V. Stroetmann</i>	
A Web-Portal for Accessing Services by SMMEs in South Africa: A Mashup Prototype	422
<i>E. Ketcha Ngassam, J. Eloff</i>	
Promoting Widespread Diffusion of ICTs to Speed up Achievements of the MDGs in Africa: A Case for the MDG 2 in Uganda	432
<i>W. Okaka</i>	
VITA: A Paperless Hospital Suite	441
<i>J. Katende, O. Feyisetan, A. Olaleye</i>	
Achieving e-Inclusion: Building an African Digital Agenda	449
<i>D. Palmer</i>	
Designing Pilot Micro Finance Information Dissemination Centres for the Eastern Cape: A Process Report	458
<i>W. Plaatjes, S. Hansen, M. Panicker, A. Erasmus</i>	

E-Government for Development: Implementation Challenges of Uganda’s National Backbone Infrastructure Project and Key Lessons	466
<i>J. Ssempebwa, M. Lubuulwa</i>	
The Socio-Economic Landscape of a Rural Community – A View of Rietfontein	475
<i>D. Van Greunen, A. Veldsman, E. Ngassam, W. Kandie</i>	
Towards a Mobile eProcurement System for Small Scale Retailers in Rural South Africa	485
<i>E. Ngassam, W. Kandie, G. Rabbolini</i>	
Cloud Computing As An Emerging Technology And Its Associated Ethical Issues: Experiences That May Be Shared Between Europe And Africa	491
<i>K. Wakunuma, B. Stahl, V. Ikonen</i>	
Formalising Living Labs to Achieve Organisational Objectives in Emerging Economies	501
<i>D. Smit, M. Herselman, J. Eloff, E. Ngassam, E. Venter, F. Ntawanga, C. Chuang, D. Van Greunen</i>	
Survey on Local Software Development for e-Government of Uganda with A Focus on e-Health Applications.....	508
<i>T. Nabbanja, J. Bada</i>	
Exposing Knowledge in Speech: Monitoring Conceptual Development in Spoken Conversation.....	519
<i>R. Lagatie, F. Wild, P. Causmaecker, P. Scott</i>	
Dynamic Spectrum Allocation in Multiuser Wireless Networks	527
<i>P. Bogere, D. Okello</i>	
Crest Factor Reduction of an OFDM/WiMAX Network	537
<i>S. Mugala, J. Butime, D. Okello</i>	
Challenges in Transferring European Business and Technology Models to the Developing Southern African Regions.....	545
<i>A. Imtiaz, M. Forcolin, A. Reid, P. Laing</i>	
European Geostationary Navigation Overlay Service (EGNOS).....	556
<i>D. Ilcev, S. Moyo</i>
