

2012 First International Workshop on Usability and Accessibility Focused Requirements Engineering

(UsARE 2012)

**Zurich, Switzerland
4 June 2012**

**IEEE Catalog Number: CFP1203T-PRT
ISBN: 978-1-4673-1845-7**

TABLE OF CONTENTS

How Personas Support Requirements Engineering	1
<i>L. Schneidewind, S. Horold, C. Mayas, H. Kromker, S. Falke, T. Pucklitsch</i>	
Specifying Usability Features with Patterns and Templates	6
<i>H. Roder</i>	
Integrating Requirements Engineering and User Experience Design in Product Life Cycle Management	12
<i>P. Anitha, B. Prabhu</i>	
User Centered Scenario Based Approach for Developing Mobile Interfaces for Social Life Networks	18
<i>P. Giovanni, M. Romano, M. Sebillo, G. Tortora, G. Vitiello, T. Ginige, L. Silva, J. Goonethilaka, G. Wikramanayake, A. Ginige</i>	
Requirements Gathering for Assistive Technology That Includes Low Vision and Sighted Users	25
<i>S. Ludi, A. Canter, L. Ellis, A. Shrestha</i>	
Interplay of Usability and Requirements Engineering in Facts Analysis for Patent Disputes	32
<i>E. Rosen</i>	
Towards a Usability Requirements Taxonomy for Mobile AAC Services	36
<i>H. Belani</i>
