

2013 IEEE International Solid-State Circuits Conference Digest of Technical Papers

(ISSCC 2013)

**San Francisco, California, USA
17-21 February 2013**

**IEEE Catalog Number: CFP13ISS-PRT
ISBN: 978-1-4673-4515-6**

TABLE OF CONTENTS

REFLECTIONS.....	4
FOREWORD.....	5
AWARDS.....	18

PAPER SESSIONS

1	Plenary Session.....	6
2	Ultra-High-Speed Transceivers and Equalizers.....	26
3	Processors.....	44
4	Harvesting and Wireless Power.....	62
5	RF Techniques.....	80
6	Emerging Medical and Sensor Technologies.....	96
7	Optical Transceivers and Silicon Photonics.....	114
8	Millimeter-Wave Techniques.....	134
9	Mobile Application Processors..... and Media Accelerators	152
10	Analog Techniques.....	170
11	Emerging Memory and Wireless Technology.....	190
12	Nonvolatile Memory Solutions.....	208
13	High-Performance Wireless.....	228
14	Digital PLLs and Building Blocks.....	246
15	Data Converter Techniques.....	266
16	Biomedical Circuits & Systems.....	284
17	High-Performance DRAM Interfaces.....	304
18	Advanced Embedded SRAM.....	314
19	Wireless Transceivers for Smart Devices.....	326
20	Frequency Generation.....	344
21	Power Converters.....	360
22	Sensors & Displays.....	378
23	Short Reach Links, XCVR Techniques, & PLLs.....	398
24	Energy-Aware Digital Design.....	418
25	Energy-Efficient Wireless.....	438
26	High-Speed Data Converters.....	460
27	Image Sensors.....	476

TUTORIALS

TUTORIALS 1-10.....	498
---------------------	-----

FORUMS

F1	Advanced RF Transceiver Design Techniques.....	500
F2	VLSI Power-Management Techniques:..... Principles and Applications	502
F3	Emerging Technologies for Wireline..... Communication	504
F4	Scientific Imaging.....	506
F5	Frequency Generation and Clock Distribution.....	508
F6	Mixed-Signal/RF Design and Modeling..... in Next-Generation CMOS	510

EVENING SESSIONS

ES1	Student Research Preview.....	512
ES2	“Batteries Not Included.” – How Little is Enough..... for Real Energy Autonomy?	513
EP1	Antiques from the Innovations Attic.....	514
ES3	High-Speed Communications on 4 Wheels:..... What’s in your Next Car?	515
EP2	You’re Hired - The Top 25 Interview Questions..... for Circuit Designers	516
EP3	Empowering the Killer SoC Applications of 2020.....	517

SHORT COURSE

RF Blocks for Wireless Transceivers.....	518
