

2015 IEEE/ACM 1st International Workshop on Big Data Software Engineering

(BIGDSE 2015)

**Florence, Italy
23 May 2015**

**IEEE Catalog Number: CFP15C45-POD
ISBN: 978-1-4673-7026-4**

First International Workshop on BIG Data Software Engineering (BIGDSE 2015)

Table of Contents

Message from the Chairs	vii
Committees.....	viii
Sponsors and Supporters	ix

Keynote

Industrial Big Data Analytics: Lessons from the Trenches	1
<i>Flavio Villanustre — LexisNexis Risk Solutions, USA</i>	

Processes and Methods

Safely Managing Data Variety in Big Data Software Development	4
<i>Thomas Cerqueus, Eduardo Cunha de Almeida, Stefanie Scherzinger — Université de Lyon, France; UFPR, Brazil; OTH Regensburg, Germany</i>	
Big Picture of Big Data Software Engineering: With Example Research Challenges	11
<i>Nazim H. Madhavji, Andriy Miranskyy, Kostas Kontogiannis — Western University, Canada; Ryerson University, Canada; National Technical University of Athens, Greece</i>	
Mining Big Data for Detecting, Extracting and Recommending Architectural Design Concepts	15
<i>Mehdi Mirakhorli, Hong-Mei Chen, Rick Kazman — Rochester Institute of Technology, USA; University of Hawaii, USA</i>	

Opportunities and Challenges

Embrace the Challenges: Software Engineering in a Big Data World	19
<i>Kenneth M. Anderson — University of Colorado Boulder, USA</i>	
Research Opportunities for the Big Data Era of Software Engineering	26
<i>Robert DeLine — Microsoft Research, USA</i>	

Industry and Practice

Software Analytics to Software Practice: A Systematic Literature Review	30
<i>Tamer Mohamed Abdellatif, Luiz Fernando Capretz, Danny Ho — Western University, Canada</i>	

On the Cost of Mining Very Large Open Source Repositories 37
Sean Banerjee, Bojan Cukic — Carnegie Mellon University, USA; University of North Carolina at Charlotte, USA

Big Data System Development: An Embedded Case Study with a Global Outsourcing Firm..... 44
Hong-Mei Chen, Rick Kazman, Serge Haziyeu, Olha Hrytsay — University of Hawaii, USA; Carnegie Mellon University, USA; Softserve Inc., USA
