

**2015 IEEE/ACM 2nd
International Workshop on
Context for Software
Development**

(CSD 2015)

**Florence, Italy
19 May 2015**

**IEEE Catalog Number: CFP15C53-POD
ISBN: 978-1-4673-7038-7**

Second International Workshop on Context for Software Development (CSD 2015)

Table of Contents

Message from the Chairs	vi
Committees and Reviewers	viii
Sponsors and Supporters	ix

Types of Context

Modeling Context-Aware Command Recommendation and Acceptance in an IDE.....	1
<i>Marko Gasparic, Francesco Ricci — Free University of Bozen-Bolzano, Italy</i>	
Empirical Evidence of Factors Influencing Project Context in Distributed Software Projects.....	6
<i>Adailton Magalhães Lima, Rodrigo Quites Reis, Carla A. Lima Reis — Federal University of Pará, Brazil</i>	

Task Content

On the Similarity of Task Contexts.....	8
<i>Walid Maalej, Mathias Ellmann — University of Hamburg, Germany</i>	
Untangling Development Tasks with Software Developer's Activity.....	13
<i>Martin Konopka, Pavol Navrat — Slovak University of Technology in Bratislava, Slovakia</i>	

Tools and Methods to Manage Context

A Context-Aware Style of Software Design	15
<i>Francesca Arcelli Fontana, Pietro Braione, Riccardo Roveda, Marco Zanon — University of Milano Bicocca, Italy</i>	
Code Basket: Making Developers' Mental Model Visible and Explorable	20
<i>Benjamin Biegel, Sebastian Baltes, Ivan Scarpellini, Stephan Diehl — University of Trier, Germany</i>	

Author Index	25
