Volume 190

First International Geographical Conference of North Asian Countries "China-Mongolia-Russia Economic Corridor: Geographical and Environmental Factors and Territorial Development Opportunities"

20–26 August 2018, Irkutsk, Russia

Accepted papers received: 8 October 2018

Published online: 30 October 2018

Preface

[First International Geographical Conference of North Asian Countries "China-Mongolia-Russia Economic Corridor: Geographical and Environmental Factors and Territorial Development Opportunities"](#)

[Peer review statement](#)

Papers

[Socio-economic potential of municipalities in the context of natural risk \(case study – Southern Siberian regions\)](#)

S V Badina.....1

[Socio-economic mobility of the population of the Baikal region in current conditions](#)

A V Bilgaev.....8

[Geoinformation mapping of transport in the Baikal region](#)

T B Dashpilov.....15

[Development and marketing of ecotourism in Baikal region](#)

D V Dayneko and V V Dayneko.....20

Formation and development factors of Altai ethno-cultural landscapes

D A Dirin and C Madry.....28

Ecological barriers to tourism development (a case study of the Baikal region)

O V Evstropieva, T I Zabortseva and L M Korytny.....35

Landscape-hydrological basis for water resources protection and development of the Baikal territory

O V Gagarinova.....40

Transaction costs and green economy potential in Russian regions

I P Glazyrina, L M Faleychik and I A Zabelina.....46

Industrial impact on the environment (as exemplified by the Baikal region and Mongolia)

N A Ippolitova.....54

Problems of natural environment preservation of transboundary territories in uranium mining

Z M Khasheva and V I Golik.....58

Influence of social and demographic aspects on increase of financial literacy of the population in Russia and China

T Klepikova.....64

The emphasis of Russian regions forest potential realization: efficiency and sustainable development

S V Makar.....70

[Meteorological potential of the atmosphere: Irkutsk – Beijing – Ulan-Bator](#)

O P Osipova.....78

[The natural-resource basis of development of "the river gates" of the Asian Russia](#)

S A Rodomanskaya.....85

["Our Common Home – Altai": international ecological-economical and humanitarian integration in the Altai region](#)

I N Rotanova and A V Krotov.....92

[Chinese migrants in the territory of the Barguzin region in the first half of the 20th century: ethnoeconomic aspects](#)

L S Tsydypova.....98

[The ecological potential of Baikal region's geosystems](#)

I N Vladimirov.....103

[Geographical and environmental research of transboundary territories: results and prospects](#)

I N Vladimirov, V M Plyusnin and A A Sorokovoy.....109

[Economic-geographical characteristics of agricultural land use within the Selenga river basin](#)

O A Ekimovskaya, I A Belozertseva, S E Amgalan and N B Badmaev.....114

[Environmental safety and the "green" economy in the context of the Baikalo-centric model of territorial development](#)

T I Zabortseva.....120

Assessment of the technogenic impact of the mining industry on the environment of the economic corridors "China - Mongolia – Russia" of the territory of Mongolia and the Baikal region

A D Abalakov and N B Bazarova.....126

Stability of landscapes in the areas of creation of economic corridors "China-Mongolia-Russia"

A D Abalakov, D A Lopatkin and L S Novikova.....139

Soil erosion on the agricultural lands in Southern Siberia: current state, risks, soil protection models

O I Bazhenova and E M Tyumentseva.....145

Ecological status of the atmosphere and snow cover of the water area of Lake Baikal and its surrounding territories and its influence on the Lake pollution

I A Belozertseva, I B Vorobyeva, N V Vlasova, O V Gagarinova, M S Yanchuk and D N Lopatina.....153

Methodological framework for assessment of anthropogenic impact on the biodiversity of soil-biotic communities of taiga and steppe ecosystems in the Baikal region

E P Bessolitsyna.....167

Geosystem transformations forecast of the Northern Priolkhonye Region

A Y Bibaeva.....172

Geological Information System of environmental and human intervention impact assessment on bodies of water of the Irkutsk region

I V Bychkov, A S Gachenko, A E Hmelnov, R K Fedorov and E S Fereferov.....178

[The use of triangulation processing algorithms for the construction of combined model of the underwater and above-water terrain of the bed of the Bratsk Reservoir](#)

A S Gachenko, A E Hmelnov, T A Hmelnova and G M Rugnikov.....184

[Features of the natural environment of the Tea Road corridor in the context of the climate change](#)

E Z Garmaev, B Z Tsydypov, S G Andreev, A A Ayurzhanayev, Z B Alymbaeva, E A Batotsyrenov, B V Sodnomov and M A Zharnikova.....192

[Spatio-temporal changes in energetic characteristics of eddy atmospheric circulation in the troposphere of West Siberia in the end of XX – the beginning of XXI centuries](#)

E V Kharyutkina and S V Loginov.....200

[Automatic meteorological measuring systems for microclimate monitoring](#)

M V Kiselev, N N Voropay, E A Dyukarev, S A Kurakov, P S Kurakova and E A Makeev.....208

[The organization of geosystems in southern East Siberia \(research and mapping\)](#)

T I Konovalova.....215

[Mercury and its bonding forms in the Soil of the Tunka Depression](#)

E E Lyapina and A A Cherkashina.....223

[The mapping results of the landscapes of the Upper and Middle Yenisei basin](#)

G I Lysanova and Y M Semenov.....228

[Self-organization of the geosystems of the southern Cisbaikalia](#)

M A Nogovitsyna.....233

[Mapping of the mountain taiga geosystems of the Baikal Natural Territory](#)

V M Plyusnin, I N Bilichenko and S A Sedykh.....239

[Landscape-typological mapping of the Baikal region \(within the boundaries of the Irkutsk region\)](#)

E A Rasputina (Istomina), M V Tsygankova and E E Korolkova.....245

[Landscape-interpretation mapping of the air temperature field of the Mondy depression](#)

O V Vasilenko and E A Istomina.....252

[Regional tendencies in air temperature at the southwestern Pribaikalie](#)

O V Vasilenko and N N Voropay.....258

[Assessment of current state of conserved areas of mountain rocks in strip mining conditions](#)

N V Vlasova and I B Vorobyeva.....264

[A comparative assessment of the aridity indices for analysis of the hydrothermal conditions](#)

N N Voropay and A A Ryazanova.....269

[Exogenous processes and problems of rational nature management in the Selenga river transboundary basin](#)

V B Vyrkin, D V Kobylkin and V A Golubtsov.....276

[Conjugations of transport networks between southern regions of the Russian Far East and neighbouring countries](#)

P Y Baklanov.....281

[The "Silk Road of China" and economic priorities of the Pacific Russia](#)

P Y Baklanov, V N Bocharnikov and E G Egidarev.....286

[Roadside service as factor of regional development](#)

V N Bogdanov and G B Dugarova.....293

[Agricultural trade pattern and potential in China and Russia](#)

X Bu, S Dong, F Li and Y Li.....299

[Formation of effective cooperation instruments for development projects in the Lake Baikal basin](#)

I V Bychkov and I I Orlova.....307

[Infrastructural approach and geospatial data processing services in the tasks of territorial development management](#)

I V Bychkov, G M Ruzhnikov, V V Paramonov, A S Shumilov, R K Fedorov, K G Levi and S Demberel.....314

[Transportation industry patterns and strategy for the countries along "The Belt and Road"](#)

H Cheng, S Dong and F Li.....319

[Trans-Siberian railway and interrelation of economic development of regions](#)

A Cherkashin.....324

[Assessment of connectivity of Russian cities with passenger air transport links with Mongolia and China](#)

I A Dets.....330

[The economic corridor "China-Mongolia-Russia": problems and development prospects](#)

Z Dondokov.....337

[Ecological environment risks and green development modes of China-Mongolia-Russia economic corridor](#)

S Dong, Y Li, Z Li, F Li, H Cheng, Y Yang, A Bilgaev, J Zheng, and T Bazarzhapov.....342

[Classification of educational tourism objects according to their location](#)

Z M Khasheva, V P Kazachinsky and I I Filipovich.....351

[China strategic initiative "One Belt, One Road" \(OBOR\) as tool for development and algorithm for effect on Central Asia countries](#)

B A Krasnoyarova and A V Krotov.....357

[Territorial environmental management in conditions of strict environmental limitation \(on example of territories with special status\)](#)

S I Lesnykh.....362

[Sino-Russian natural gas cooperation: structure and situation](#)

Z Li, J Li, Y Yang, V A Kolosov, Y Ren and F Chen.....368

[Agricultural development status and key cooperation directions between China and countries along "The Belt and Road"](#)

F Li, Q Liu, S Dong and H Cheng.....377

[Transcontinental bridges VS continentality: the case of Russia and Canada](#)

A I Lomakina.....384

[Role of territorial remoteness, economic and social factors in development of Siberian and northern regions of Russia](#)

A V Myadzelets.....390

[Social factors of territorial variability of life expectancy in the Russian Federation and features of the Baikal region](#)

P L Popov and A A Tcherenev.....396

[In limbo between state and corporate responsibility: Transport infrastructure in the oil village Verkhnemarkovo, Irkutskaya Oblast in Russia](#)

G Saxinger, N E Krasnoshtanova and G Illmeier.....401

[Expansion features of Irkutsk suburban areas' development](#)

E N Serebrennikov.....407

[Forest investment in the Russian part of the economic corridor China-Mongolia-Russia](#)

N M Sysoeva.....414

[Development of the Transboundary Economic Cooperation within the China-Mongolia-Russia Economic Corridor](#)

S I Violin.....419

[Analysis of economic efficiency and eco-efficiency of Chinese star hotels based on SBM model](#)

B Xia, S Dong, M Zhao, Z Li, F Li, Y Li and H Cheng.....425

[Development patterns and cooperation paths of tourism industry within the China-Mongolia-Russia Economic Corridor](#)

M Zhao, S Dong, B Xia, H Cheng, Y Li, Z Li and J Zheng.....434
