## TABLE OF CONTENTS

### *Session 1*

#### ***Laying the Groundwork: Generation Overview***

Key executives discuss plans for future nuclear generation and the resulting impacts on fuel demand.

**Session Chair:** John Ritch - Director General World Nuclear Association

**1 Electricity in Hong Kong**

Yui Bor Lee - Group Executive Director China Guangdong Nuclear Power Corporation China Light & Power

**20 Nuclear in India**

Sudhinder Thakur - Executive Director, Corporate Planning NPCIL

**N/A\* Russian Nuclear Program**

Sergey Kirienko - Head ROSATOM

### ***Break***

**Session Chair:** Angelina S. Howard Vice President, Office of the President and Executive Advisor to the President Nuclear Energy Institute

**65 The Future of Nuclear Generation in the United States**

Charles G. Pardee - Chief Operating Officer Exelon Generation

**79 Chinese Nuclear Program**

Jiangang Qiu - Assistant President China National Nuclear Corporation

**92 Guangdong Nuclear Plans**

Rugang Sheng - President/Vice President China Guangdong Nuclear Power Holding Co. Ltd.

### ***Session 2***

#### ***Nuclear Overview: Northeast Asia***

**Session Chair:** Jose Luis Gonzalez – Chairman ENUSA Industrias Avanzadas

**112 Japanese Nuclear Program**

Kaoru Samejima - Advisor The Tokyo Electric Power Company, Inc.

**141 Nuclear Power Program in Taiwan**

Thomas An-Hong Jeng - Vice President Taiwan Power Company

**168 Nuclear Power Program in Korea**

Jang-Hee Hong - Senior Vice President, Generation Division Korea Hydro & Nuclear Power Company Ltd.

***Demand and Uranium Supply***

International speakers discuss the outlook for generation and the prospects for primary uranium production.

**Session Chair:** Susan F. Speight - Vice President, Marketing and Sales Nuclear Fuels Corporation

**190 Impact of Junior Producers**

Dustin Garrow - Managing Principal Colorado Nuclear, Inc.

**213 A Review of Strathmore Minerals Corporation**

David Miller - President and Chief Executive Officer Strathmore Minerals Corp.

**263 Uranium Supply Overview**

Georges Capus - Project Director Front End Marketing COGEMA (AREVA)

***Session 3***

***Supply Issues***

**Session Chair:** Robert A. Rich - Nuclear Fuel Consultant Rich Associates, Inc.

**282 Future Role of Secondary Supply**

R. Gene Clark - Chief Executive Officer TradeTech

**323 Effect of Liability Issues**

James Glasgow - Partner Morgan Lewis & Bockius LLP

**336 ISL Mining Overview**

Wallace Mays - President W.M. Mining Corporation

***New Fuel Supply***

How will conversion, enrichment and fabrication evolve as the demand picture changes?

**Session Chair:** Ruthanne Neely - Senior Vice President, Washington Operations and General Counsel The Ux Consulting Company, LLC

**357 Trends in the Conversion Market - Opportunity for Growth**

James Graham - President and Chief Executive Officer ConverDyn

**378 Uranium Enrichment 2020**

Maurice Lenders - Executive Director, Commercial Urenco Enrichment Co. Ltd.

**388 Quantum Physics, String Theory, Parallel Universes, and the Price of Uranium**

Michael Connor - President Nuclear Resources International, Inc.

**Session 4**

***Waste Management and Transportation***

The latest in the constantly changing arenas of spent fuel management and transportation.

**Session Chair:** Felix M. Killar - Senior Director, Fuel Supply, Materials Licensees and Insurance Nuclear Energy Institute

**420 Financial Strategies for Future Reprocessing Facilities**

Stephen Goldberg - Special Assistant to the Director Argonne National Laboratory

**433 Sustaining Transport Options**

Tatsuya Ishikawa - Specialist Advisor World Nuclear Transport Institute

**454 Nuclear Fuel Supply Adapting to the Nuclear Power Development in China and Asia**

Dong Ping Cui - Vice President China Nuclear Energy Industry Corporation

***Panel Discussion: Meeting the Challenge of the Emerging East***

How will the fuel supply industry meet the rising demand forecast from Asian nations? What needs to change? What will it mean for existing fuel users?

**Moderator:** Stephen W. Kidd - Director of Strategy and Research World Nuclear Association

**459** Kurt Schreiber - Managing Director RWE NUKEM GmbH

**467** John Britt - President, Cameco, Inc.

**475** Masateru Sugihara - Group Manager ITOCHU International, Inc.

**482** Ali Etemad - Executive Vice President Vattenfall Fuel

**489** Speaker Biographies

**503** Participants List

N/A\* - Presentation Not Available
