◆ **Presentation** 177

• R&D Tax Credits Available to Plastics Companies <i>Steven Everson, Plante & Moran, PLLC</i>	
♦ Presentation	202
• Is Innovation Critical to Growth? <i>Jack Avery, Avery Plastics Consulting</i>	
♦ Presentation	214
• Force Majeure: Minimizing this Risk Transfer Event <i>Alan Rothenbuecher, Schottenstein, Zox & Dunn</i>	
♦ Technical Paper	235
♦ Presentation	248
• The Plastics Industry and Your Career <i>Dennis Gros, Gros Plastics Recruiters</i>	
♦ Presentation	267
<i>Applications & Plastic Part Innovations, Session III</i>	
<i>Moderator: Peter Grelle, Dow Automotive</i>	
• Propeller Hub Isolator System with Low Noise, Vibration, And Harshness (NVH) <i>Dr. Kevin Anderson, Mercury Marine</i>	
♦ Technical Paper	282
♦ Presentation	287
• AED Unit – Multiple Materials & Processes Boost Functionality <i>Mike Hansen, Mack Molding</i>	
♦ Technical Paper	300
♦ Presentation	307
• Cosmetic DCPD Panels on Combine Harvesters <i>Brian Miller, John Deere</i>	
♦ Technical Paper	326
♦ Presentation	331

- Production of a Tractor Cab Roof Module Using Direct In-Line Compounding of Long Glass Fiber Thermoplastics
Darin Grinsteinner, Composite Products

◆ Technical Paper 348

◆ Presentation 357

Volume 2

General Session

Eugene Steadman, Jr., Director of Government Relations, Ticona/Celanese

- Overview of Natural Gas Crisis and Its Impact on the Plastics Industry, and Status of Legislation on Capitol Hill to Fix It

◆ Presentation 377

Dr. Chul Park, University of Toronto

◆ Technical Paper 396

◆ Presentation 404

- Multi-Component Molding with TPO for Interior Automotive Parts
Dr. Inj Jorg Dassow, Ferromatik Milacron

◆ Presentation 435

- Measuring In-Mold Pressures with the External Gas Molding Processes
Steve Ham, Cinpres Gas Injection

◆ Technical Paper 461

- Ultrasonic Joining of Dissimilar Polymeric Materials
Barry McGraw, Battelle Memorial Institute

◆ Technical Paper 467

Tuesday, April 4

• Multi-Component Caps and Closures Production Methods

Thierry Fabozzi, Ferromatik Milacron

◆ Presentation 473

New and Improved Productivity Solutions, Session V

Moderator: Brandon Cleary, Phoenix Plastics Company

• Structural Polymer for Improved Functionality

Karl Maurer, DuPont

◆ Technical Paper 496

◆ Presentation 502

• Injection Molding Machine Screw Valve Analysis

Raymond Brocious, Spirex

◆ Technical Paper 515

◆ Presentation 518

• Plastic Drying – The Options

Daniel R. Saigh, Motan, Inc.

◆ Technical Paper 547

◆ Presentation 556

Enhanced Performance with New Polymer Technologies, Session VI

Moderator: Peter Grelle, Dow Automotive

• Surface Modification Techniques for Optimizing Adhesion to Automotive Plastics

Rory Wolf, Enercon Industries

◆ Technical Paper 582

◆ Presentation 589

• Advances for Siliceous Mineral Products with Polymer Systems
Julian Danvers, World Minerals

- ◆ Technical Paper 614
- ◆ Presentation 629

• Technical Overview of New Solar Guard of SMC Formulation
Mike Jackson, Stahlin Non- Metallic Enclosure

- ◆ Technical Paper 660
- ◆ Presentation 670

• 2006 New Product Design Competition Guide

**APP Conference “Hall of Fame” Award, People’s Choice
Award and Retail/Consumer Products Award**

- ◆ The Cottage – Mike Springer, Horizon Plastics Co. Ltd.
Product Image and Description..... 701

Judges Award

- ◆ Sub Compact Utility Tractor – Rick Wolfe,
Bemis Contract Group
Product Image and Description..... 703

Agriculture Award

- ◆ Tractor Roof – Scott Ledebuhr, Composite Products
Product Image and Description..... 705

Appliance Award

- ◆ Meter Housing – Jeff Somple, Mack Molding
Product Image and Description..... 707

Automotive Award

- ◆ Side Sill (Rocker Molding) – Gary Deaton,
The Minco Group
Product Image and Description..... 709

Building & Construction Award

- ◆ ISO – Container H-Beam – Bart Berghuis,
LRM Industries, LLC
Product Image and Description..... 711

Furniture & Computer Business Equipment Award	
♦ Knoll suspension Chair – Jeff Somple, Mack Molding	
Product Image and Description.....	713

Industrial & Military Award	
♦ Pelican Hardback Cases – John Hoven, Pelican Products Inc.	
Product Image and Description.....	715

Lawn & Garden Award & 49th Annual IDSA/Plastics New Design Award	
♦ John Deere Select Series Lawn & Garden Tractors – Gary Vande Berg, Bemis Contract Group	
Product Image and Description.....	717

Materials Handling Award	
♦ Wildcat – ER Cover – Jeff Somple, Mack Molding	
Product Image and Description.....	719

Medical & Scientific Award	
♦ E-Series – Jeff Somple, Mack Molding	
Product Image and Description.....	721

Single Part Award	
♦ Encapsulation – Jeff Somple, Mack Molding	
Product Image and Description.....	723

Product descriptions of all other entries of the New Product Design Competition:

Market Category: Product Entry: Company Entering Part:

Agriculture	
♦ CNH – B6 Magnum Hood Assembly – Ashley Industrial Molding	
Product Image and Description.....	N/A
♦ John Deere MY 2006 Combine – Air Scoop – Ashley Industrial Molding	
Product Description	725
♦ John Deere MY 2006 Combine – Radiator Panel – Ashley Industrial Molding	
Product Description	726
♦ John Deere MY 2006 Combine – Rear Wall – Ashley Industrial Molding	
Product Description	727
♦ John Deere 8000 Series Engine Enclosure – Bemis Contract Group	
Product Description	728

- ◆ John Deere 8000 Series Inner Hood – Bemis Contract Group
Product Description 729

Appliance

- ◆ Dryer Thermoplastic Seal – Bemis Manufacturing Co. – Extrusion & Component Technologies
Product Description 730
- ◆ Industrial Hand Dryer Housing – Bulk Molding Compounds, Inc.
Product Description 731

Automotive

- ◆ Automatic Gear Shift Actuator – Bulk Molding Compounds
Product Description 732
- ◆ Throttle Body (SIEMENS VDO) – Bulk Molding Compounds
Product Description 733
- ◆ Hybrid Steel/LGF-PP Bonded Front End Module – Dow Automotive
Product Description 734
- ◆ Upper Side Air Deflector for Class 8 Truck – Mack Molding
Product Description 735
- ◆ Extruded Sheet – Phoenix Plastics Co. Ltd.
Product Description 736

Building & Construction

- ◆ Light Louver – Bemis Manufacturing Co. – Extrusion & Component Technologies
Product Description 737
- ◆ Colonial Spindle – Commercial Plastic Products
Product Description 738
- ◆ Ornamental Polymer Fence – Horizon Plastics Co. Ltd.
Product Description 739
- ◆ Wood Composite Decking Spindle – Innovative Plastics & Molding
Product Description 740

Furniture & Computer/Business Equipment

- ◆ Triton 8100 External Gas Fascia
Product Description 741
- ◆ WOW (Weigh on Way)
Product Description 742

Industrial & Military

- ◆ EGM Torture Part – Cinpres Gas Injection
Product Description 743
- ◆ 4DX Flooded Battery – Mack Molding
Product Description 744

Lawn & Garden

- ◆ Smart Gardeners Workshop
Product Description 745

Materials Handling

- ◆ Hi-Bay Upright/ Low-Bay Upright/22” In Line Base
Decks/14” End Cap Base Deck –
Horizon Plastics Co. Ltd.
Product Description 746
- ◆ 25 Caliber Cover – Mack Molding
Product Description 747
- ◆ Secretariat Handles – LH & RH
Product Description 748

Medical & Scientific

- ◆ Model TDM1000 Walker – DSM Engineering Plastics
Product Description 749
- ◆ Medical Computer Cart – Mack Molding
Product Description 751
- ◆ Minimally Invasive Heart Monitor (MIHM) – Mack Molding
Product Description 752
- ◆ Triathlon – Mack Molding
Product Description 753

Retail/Consumer Products

- ◆ Pelican Hardback Notebook Protector Case 1080 –
Pelican Products, Inc.
Product Description 754
- ◆ Accessory Organizer - Tupperware
Product Description 755
- ◆ Prism Collection - Tupperware
Product Description 756

Single Part

- ◆ L100 Series Comfort Grip Steering Wheel –
Bemis Contract Group
Product Description 757
- ◆ Hi-Bay Upright/ Low-Bay upright/ 22” In Line Base Decks/
14” End Cap Base Deck – Horizon Plastics Co. Ltd.
Product Description 758

- ◆ Smart Gardeners Workshop – Horizon Plastics Co. Ltd.
Product Description 759
- ◆ Propeller Hub Isolator – Mercury Marine
Product Description 760
- ◆ Prism Bowl - Tupperware
Product Description 762
