ISBN: 978-1-60560-038-3

Some format issues inherent in the e-media version may also appear in this print version.

Urban and Regional Information Systems Association

Annual Conference of the Urban and Regional Information Systems Association  
2006

## Table of Contents

### Volume 1

**PROCEEDINGS EDITORIAL BOARD, CONFERENCE COMMITTEE,  
AND BOARD OF DIRECTORS**

**PREFACE**

## Abstracts

### MANAGEMENT

"One Road" and the Washington Statewide Transportation Framework Project.....	16
Interactive Map Server (IMS) Applications in Delaware County, Ohio .....	16
Using Collaboration Technology to Maximize the Value of Geospatial Data .....	16
Strategy for Online Marketing Your GIS Products or Services .....	17
Application Integration: Tool, Tips and Tricks of the Trade.....	17
Overlooked, Misunderstood, and Rushed: User Acceptance Testing in Enterprise Application.....	18
The Power of Piloting .....	18
GIS as a Resource Management Tool.....	18
Information Management Policy: GeoConnections and the Geomatics Industry Association of Canada.....	19
Entrepreneurial Approaches to Countywide GIS Services.....	19
Migrating a Mature GIS Program From A Legacy System to An Enterprise Database.....	19
An Enterprise Solution That Is Making a Difference .....	19
Enterprise-Wide GIS Implementation: How to Support the Whole Organization .....	19
Creating Efficiencies in Data Availability.....	20
Assessing the Affordability of Database Development Using Cost Benefit Analysis .....	20
Improving the Usability of Spatial Information Products and Services .....	20
A Methodology for Developing an Aquatic Resource Management Strategy .....	20
Assessing Nonpoint-Source Pollution in the Weeks Bay Watershed, Alabama .....	21
UDF Analysis Using GIS and Hydraulic Modeling .....	21
Building Collaborations Across Agencies.....	21
Alberta Capital Region GIS: A Shared Academic, Government, and Community SDI .....	22
INSPIRE: Information Policy issues of The European Spatial Data.....	22
Helping to Bring Geographic Information Systems Technology to the Classroom .....	22
SPACESTARS Curriculum for Geographic Information Systems and Remote Sensing Education .....	22
Education Technology in GIS: Lessons Learned .....	22
GIS Processing Models for Regional Urban Environmental Planning and Management.....	23
Using GIS to Build a Green Infrastructure Plan.....	23
Public Records Panel: Government, Private and Nonprofit Perspectives .....	23
Public Access and Security Policies for Critical Infrastructure Information .....	24
Geospatial Data: Control and Access Issues for Indian Nations in the US .....	24
Upper Cahaba Watershed Greenprint .....	24

Colorado Interbasin Roundtables: Trust and Collaboration .....	25
Marine Habitat Designs for the Vancouver Convention Centre Expansion Project .....	25
City Knowledge in London (UK), Boston (MA) and Venice (Italy).....	26
Maps Under Wraps: The Standoff Between Enterprise Security and Innovation .....	26
The Aftermath of Enterprise Architecture .....	26
Case for a GIO in Georgia .....	27
Enterprise Dashboards: Aligning Performance Management with Business Goals.....	27
Mapping Your Community – a Swedish Case Study on Communication of Landscape Qualities on the Internet and the Attitude Towards Public Participation.....	27
Bridging the Rural-Urban Differential using Internet GIS for Policy Analysis.....	27
Building Geospatial Technology Capacity for Rural Community Planning .....	28
Sustainable/Smart Growth: Urban Governance and GIS .....	28

## DATA

Statistics Canada’s 2006 Census Geography Digital Products and Their Uses .....	29
Using the Census Bureau’s Public Use Microdata for Migration Analysis .....	29
Geographic Program Innovations for the 2010 Census and Beyond.....	29
Creating an Enterprise Level Maintenance Workflow in Waukesha County, Wisconsin.....	29
Optimizing Post Construction GIS Data Collection and Reduction Processes .....	30
System Architectures for Minimizing Data Redundancies Using Open Standards.....	30
Using GIS to Identify Neighborhoods with Special Characteristics. ....	30
Accessibility to Settlement Services in Toronto: The Case of 7 Immigrant Groups.....	31
Human Migration Analysis of the Austin and San Antonio Economic Areas .....	31
Geodatamodeling for Regional Planning: The Experience in Denver, CO .....	31
Traffic Engineering Signals Geodatabase: Design and Implementation .....	32
On the Road to Underground Utility Data Standards .....	32
Integrated Cadastral Information Society (ICIS) – Opportunity & Risk.....	32
Integrating High Resolution Digital Imagery and LiDAR for Local Government.....	33
Planning and Implementation of the North Carolina Streambed Mapping Project.....	33
LiDAR Applications for 3-D Visualization.....	33
Geographic Program Innovations for the 2010 Census and Beyond.....	33
Correcting the Spatial Accuracy of a Land Base-Building a Foundation for Success .....	34
How and Why Trans-Link Aligned Stats-Can Vectors to GPS Centerlines.....	34
Extracting Point in Time Versions from an Unversioned Data Source .....	34
Spatio-Temporal Analysis of Job Access Inequality Between Car and Public Transit.....	34
Digital Parcel Map Database Standards for Broad Use.....	35
A Master Address File for Local Government .....	35
Creating a Public Sector Information Commons.....	36
Integrated Cadastral Management Project – Cadastral Data Model.....	36
Integrated Cadastral Management Project – Data Conversion and Implementation Issues .....	36
Integrated Cadastral Management Project – Parcel Mapping on Canada Lands Using Web GIS .....	36
What About Metadata? .....	37
Implementing CSDGM Metadata Based Enterprise Data Catalog.....	37
Integrated Land Management Bureau Solutions to Data Discovery .....	37
An Integrated Multimodal Transportation Data Model.....	38
URISA's Addressing Standards Working Group: Status & Update .....	38
Using GIS in Engineering Planning.....	38

## APPLICATIONS

A GIS Tool to Estimate Financial Impacts of Municipal Annexation .....	39
All Digital Subdivision Application and Approval Process: No More Paper .....	39
A Practical Approach to Routing and Network Analysis .....	39
A Multimedia Spatialweb Application on Historic Structures for Three Florida Cities .....	40
Allegheny County Human Services Resources: HumanServices.net .....	40
The City of Vancouver Realizes Important Benefits from Spatially Enabling .....	40
Visualizing and Managing Field Inspection Activity in Pasadena .....	41
Streamlining Naperville's Asset Management Process with Systems Integration .....	41
Partnership in Regional Urban Planning Initiatives .....	41
Leveraging Collaboration Technology to Maximize Value of Investments in Geospatial .....	42
The Integrated Land and Resource Registry .....	42
The BLM Offers New Ways to Access Federal Lands and Mineral Data .....	43
First Steps toward Location Intelligence with Data Warehousing and GIS .....	43
Evaluating a GIS-Based Approach for Analyzing Trip-Reduction Programs .....	43
GIS-Centric Transportation Planning Project .....	44
Smart Way Maps – Interactive Online Traffic Information at the Click of a Mouse! .....	44
An Online Transportation Improvement Program for Central Florida .....	44
Self-Service Customers Through a GIS Enabled Interface .....	44
Bringing Eco-Tourism to the Masses: Interaction through GIS and the World Wide Web .....	45
The Spatial Infrastructure for Location-enabled Web Services .....	45
Spatially Enabling the Municipal Enterprise .....	46
Vancouver's Enterprise Approach to GIS: Architecture and Applications .....	46
Engineering Drawing Spatial Search .....	46
Address Maintenance Application in The City of Miami .....	47
Developing Good Address Systems – A Danish-Portuguese Comparison Study .....	47
Managing Workflow at The City of Sarajevo Using RDBMS Long Transactions .....	47
Planning Process Enhancements Through Internet Mapping .....	47
Engineering GIS Overcomes the CAD/GIS Integration Obstacle .....	48
GIS Data Integration at Greater Vernon Services Water Utility: Lessons Learned .....	48
iMapBC: Self Service Access to The Provincial Land and Resource Data Warehouse .....	48
Managing Municipal Construction Projects Through the Web .....	49
Implementing an “Across the Board” Web-GIS Solution .....	49
Building a Web-Based Economic Development GIS System: A Unique Public-Private Partnership .....	50
Full Circle: A Web-based Neighborhood Data Collection & Mapping System .....	50
Development of a Statewide Fish Passage Inventory, Assessment, and Prioritization System in Oregon .....	50
The Wisconsin Land Information Program: Its Rise and Fall .....	50

## HOT TOPICS

Using Geospatial Technologies to Manage Landslide Hazards in Urban Environments? .....	51
Location-based Information Sharing for the Public Safety and Security Community .....	51
U.S. Geological Survey's Hurricane Katrina Unified Search and Rescue Operations .....	51
The Use of GIS Technologies for Emergency Management and Critical Infrastructure Protection in BC .....	52
Municipal Emergencies: What is the Role of GeoSpatial Technologies? .....	52

Use of Oblique Aerial Imagery in Disaster Damage Assessment and Recovery - Hurricane Katrina .....	52
US Land Parcel Database Overview.....	53
Sharing Local Government Information: Google Earth, Open Source GIS, and FME .....	53
disAbility Spin: Disability Community Connection in Missouri .....	53
GeoRSS: Adding Location to RSS Feeds.....	54
Implementation of a Utilities Network GIS Model for a Mid Sized Municipality.....	54
Creating a Utility Asset Inventory In-House .....	54
Bridging the CAD/GIS Gap: Saskatoon's Infrastructure Asset Management Approach.....	55
Using GIS to Monitor West Nile Virus (WNV) Occurrence in SE Alberta.....	55
Avian Influenza – Role of GIS .....	55
Temperature, Rainfall and West Nile Virus in Northeast Illinois .....	55
Estimating Diurnal Populations on the Oregon Coast in the Event of a Tsunami.....	56
An Evaluation of the Evacuation of the Las Vegas Valley .....	56
GIS in the Lil'wat Nation: Sharing our Experience .....	56
Evolution of GIS at the Squamish First Nation .....	56
Aboriginal Mapping Network.....	57
Report on GISCorps Activities for 2005-2006 .....	57
GISCorps: Medical Mission Exchange Project .....	57
Geospatial Business Intelligence Applied to Planning and Zoning.....	57
Integrating GIS and Bayesian Networks For A Multi-Agent Model of Land Use Change.....	58
Self-Organizing Maps and GIS for Representing Land Use Change Attitudes .....	58
Wireless Internet for the Whole County?...Yes, it <u>is</u> Possible! .....	58
Building the Community Atlas to Support Community Building Activities.....	58
LiDAR Data for Flood Plain Modeling .....	59
Characteristics of Urban Sprawl in Seoul Metropolitan Region: 1985-2003 .....	59
Managing GIS Support for Electoral Redistricting Efforts .....	59

## **PROFESSIONAL DEVELOPMENT**

Communicating with Power Brokers.....	61
Innovative Funding Mechanisms to Sustain a GIS.....	61
What Does Change Mean to You?.....	61
Developing the GIS Strategic Plan and Ensuring Its Continued Relevance:	
A Key to Long Term Success .....	61
Seven Habits of Highly Effective Project Management.....	61
Managing Changes To Your Projects.....	62
Succession Planning & Knowledge Transfer .....	62
GISCI Certification Update .....	63
Career Coaching: What You Can Learn From Successful GIS Professionals.....	63
Defining the Practice of GIS.....	63
National Spatial Data Infrastructure Training for Local and Regional Government .....	63
Geospatial Online Professional Assessment Tool (GOPAT) .....	63
Wrap Up: Thoughts on Professional Development for all Stages of your Career.....	64

## **TOOLS**

Sea to Sky Highway Visualization and Traffic Flow Models .....	65
Oblique Imagery - Real World Applications & Uses .....	65
Modernizing the Municipal Geo-Spatial Reference System in British Columbia.....	65
Oakland County, MI - E-Health Well & Septic Permitting System .....	66
Achieving The Promise of Mobile Mapping .....	66
Tracking Right-of-Way Land Acquisition.....	66
Utilizing GIS Tools to Track The Cost of Right-of-Way Acquisition – A Case Study of Collier County, FL.....	66

## **PUBLIC PARTICIPATION GIS**

Lessons Learned: Engaging the Public .....	67
Process - Technology – Empowerment .....	67
Facilitating Engagement: PolicyLink .....	67
Indigenous Issues: Engagement and Empowerment.....	67
Town Hall Wrap-up Meeting.....	68

# PAPERS AND PRESENTATIONS

## MANAGEMENT

<b>Geocity – Building Common Ground</b> .....	70
<i>Richard C. Gorecki and Danielle Coulter</i>	
<b>GIS as a Resource Management Tool</b> .....	80
<i>Amy Ahner and Thomas Thomey</i>	
<b>Creating Efficiencies in Data Availability ((Paper/Presentation))</b> .....	85
<i>Alison Palmer</i>	
<b>Assessing the Affordability of Database Development Using Cost Benefit Analysis</b> .....	131
<i>Douglas M. Adams and Jeffrey A. Tirschman</i>	
<b>Stream Reach Evaluation Tool for Assessing Potential Urbanization Effects of the Damascus Concept Plan on the Rock Creek Watershed, Clackamas County</b> .....	146
<i>Carol Murdock, Robert Storer, and Lori Hennings</i>	
<b>Managing, Collaborating, and Building – The Key Ingredients to the Success of GIS (Paper/Presentation)</b> .....	174
<i>Cathy Raney and David Holdstock</i>	
<b>INSPIRE: Information Policy Issues of the European Spatial Data Infrastructure</b> .....	200
<i>Kathleen Janssen</i>	
<b>Public Access and Security Policies for Critical Infrastructure Information</b> .....	214
<i>Ed Wells</i>	
<b>The Upper Cahaba Watershed Greenprint</b> .....	229
<i>Patrick M. Peters, Aylin Lewallen, and Paul Leonard</i>	
<b>Enterprise Information Dashboard: Aligning Performance Management With Business Goals</b> .....	311
<i>Rob Walters</i>	
<b>Mapping Your Community – A Swedish Case Study on Communication of Landscape Qualities on the Internet and Attitudes Towards Public Participation</b> .....	318
<i>Niclas Östlund</i>	

## DATA

<b>Using the Census Bureau's Public Use Microdata for Migration Analysis</b> .....	336
<i>Mark Salling, GISP and Ellen Cyran, GISP</i>	
<b>Human Migration Analysis of the Austin–Round Rock and San Antonio, Texas, Economic Areas</b> .....	349
<i>Ben C. Sherrouse and David J. Hester</i>	
<b>Traffic Engineering Signals Geodatabase: Design and Implementation (Paper/Presentation)</b> .....	370
<i>Douglas M. Adams and Jeffrey A. Tirschman</i>	
<b>Streambed Mapping Project for Western North Carolina Counties</b> .....	457
<i>Scott Edelman, Terri McLean, and Susan Phelps</i>	
<b>LIDAR Applications for 3-D Visualization</b> .....	467
<i>Bill Emison</i>	

<b>Spatio-Temporal Analysis of Job Access Inequality Between Cars and Public Transit</b> .....	480
<i>Mizuki Kawabata and Qing Shen</i>	
<b>Digital Parcel Map Database Sharing Standards for Broad Use</b> .....	494
<i>Dennis H. Klein, George Horning, Carol Hall, and Cy Smith, GISP</i>	
<b>A Master Address File for State and Local Government</b> .....	522
<i>William J. Craig, GISP</i>	
<b>Integrated Cadastral Management Project Cadastral Data Model</b> .....	534
<i>Paul Egesborg</i>	
<b>Integrated Cadastral Management Conversion and Implementation Issues (Paper/Presentation)</b> .....	553
<i>Steve Rogers</i>	
<b>Integrated Cadastral Management Parcel Mapping on Canada Lands Using Web GIS (Paper/Presentation)</b> .....	578
<i>Jason Holway</i>	
<b>What About Metadata?</b> .....	592
<i>Robert Parenteau and Glen Hohlmann</i>	
<b>Integrated Land Management Bureau Solutions to Data Discovery</b> .....	600
<i>Norman Helewa</i>	
<b>An Integrated, Multimodal Transportation Data Model</b> .....	612
<i>Al Butler, GISP</i>	

## APPLICATIONS

<b>A Multimedia Spatialweb Application on Historic Structures for Three Florida Cities</b> .....	627
<i>Juna Papajorgji, GISP and Do-hyung Kim.</i>	
<b>The Integrated Land and Resource Registry Project of British Columbia (Paper/Presentation)</b> .....	644
<i>Dave Chater and Simon Lanoix</i>	
<b>First Steps Toward Location Intelligence at the Washington State Department of Transportation</b> .....	681
<i>Gordon Kennedy</i>	

## Volume 2

<b>Evaluating a GIS-Based Approach for Analyzing Trip-Reduction Programs</b> .....	688
<i>Elizabeth Goss and Ed Hillsman</i>	
<b>Interactive Online Traffic Information at the Click of a Mouse!</b> .....	706
<i>Kim McDonough</i>	
<b>Bringing Eco-Tourism to the Masses: Interaction through GIS and the World Wide Web</b> .....	735
<i>Charlene LeBleu and Manan Pathak</i>	
<b>Spatially Enabling the Municipal Enterprise</b> .....	754
<i>Laine Wyman</i>	
<b>Vancouver's Enterprise Approach to GIS: Architecture and Applications</b> .....	790
<i>Jonathan Mark and Meng Li</i>	
<b>Implementing an "Across the Board" Web-GIS Solution</b> .....	812
<i>Tom Sohler</i>	

<b>Development of a Statewide Fish Passage Inventory, Assessment, and Prioritization System in Oregon</b> .....	823
<i>Chris Stebbins</i>	

## HOT TOPICS

<b>Using GIS for Landslide Susceptibility Analysis and Monitoring in Urban Environments</b> .....	841
<i>Shawn McLeod and Gerry James</i>	
<b>Location-based Information Sharing Strategies for the Public Safety and Security</b> .....	852
<i>Philip C. Dawe and Ken A. Marshall</i>	
<b>Municipal Emergencies: What is the Role of the GeoSpatial Technologies?</b> .....	862
<i>Al Little</i>	
<b>Benefits Of Building Your Own Utility Database</b> .....	900
<i>Randal Krejcarek and Robert Mickla</i>	
<b>Estimating Daytime and Nighttime Population Density for Coastal Communities in Oregon</b> .....	906
<i>Rachel Trusty Sleeter and Nathan Wood</i>	
<b>Integrating GIS and Bayesian Networks for a Multi-Agent Model of Land Use Change</b> .....	921
<i>Verda Kocabas and Suzana Dragicevic</i>	
<b>LIDAR for Floodplain Mapping</b> .....	930
<i>Gary D. Outlaw, GISP</i>	

## PROFESSIONAL DEVELOPMENT

<b>Innovative Funding for GIS</b> .....	954
<i>Chris Thomas</i>	
<b>Developing the GIS Strategic Plan and Ensuring Its Continued Relevance: A Key to Long Term Success</b> .....	961
<i>Jonathan Mark</i>	
<b>The History of the GISCI Certification Program</b> .....	981
<i>Scott A. Grams</i>	

## TOOLS

<b>Tracking Right-Of-Way Land Acquisition Using GIS</b> .....	1005
<i>Alex Kavanagh and Michael Bieberitz, GISP</i>	

## **2006 EXEMPLARY SYSTEMS IN GOVERNMENT (ESIG) AWARD WINNERS**

### SINGLE PROCESS SYSTEM WINNER

<b>City of Dallas, Texas - POSSE Land Management System</b> .....	1015
---	------

## DISTINGUISHED SINGLE PROCESS SYSTEMS

<b>City of Calgary, AB - ePlans</b> .....	1033
<b>Allegheny County Department of Human Services, PA - HumanServices.net</b> .....	1054
<b>Badger Army Ammunition Plant - Geographic Information System</b> .....	1074
<b>Oakland County, MI - E-Health Well &amp; Septic Permitting System</b> .....	1100

## ENTERPRISE SYSTEM WINNERS

<b>Illinois State Toll Highway Authority - GeoSource</b> .....	1115
<b>Johnson County, Kansas - myAIMS Web Portal.</b> .....	1135
<b>Washington, DC - Regional Pawn Data Sharing System (RPDSS)</b> .....	1153

## DISTINGUISHED ENTERPRISE SYSTEMS

<b>City of Calgary – 311 Program</b> .....	1173
<b>Illinois Tollway - Lane Closure Application</b> .....	1185
<b>Jefferson County, CO - Hart Data Resolver Application</b> .....	1217
<b>Lucas County, OH - GIS-Enabled Enterprise Content Management (ECM)</b> .....	1222
<b>Shelby County, AL - Shelby Knowledge Suite</b> .....	1249
<b>Victoria, Australia - Victorian Mapping and Address Service (VMAS)</b> .....	1302
<b>Warren County, OH - Integrated Mapping System</b> .....	1334
<b>Washington County, OR - Cadastral Ownership Registry (CORG)</b> .....	1360

## **Author Index**
