

# **MEPTEC/SMTA Medical Electronics Symposium 2012**

## **Day One**

**MEPTEC Symposium Preceedings Number 49**

**Tempe, Arizona, USA  
26 September 2012**

**ISBN: 978-1-62276-962-9**

**7TH ANNUAL MEDICAL ELECTRONICS SYMPOSIUM**

**CONTENTS**

---

**Agenda**

---

**Event Sponsor Directory and Ads**

---

**Biographies**

---

**KEYNOTE ADDRESS: Health Care and Medical Electronics** 1  
Keith Lindor, M.D., Arizona State University

---

**SESSION ONE: BUSINESS GROWTH IN THE MEDICAL ELECTRONICS INDUSTRY**

Session Chair: Marco Santello, Arizona State University

- **Flexible Electronics: Potential and Reality** 13  
David R. Allee, Ph.D., Arizona State University
  - **Navigating the Commercialization Path from Discovery to Market** 34  
Ron G. King, Ph.D., BioAccel
  - **Medtech Industry Trends: 2012 and Beyond** 42  
Heather Thompson, MD+DI
- 

**SESSION TWO: INNOVATIVE IMPLANTABLE TECHNOLOGIES**

Session Chair: Randy Crutchfield, Medtronic, Inc.

- **Advanced Microelectronic Packaging Manufacturing Technologies for Handheld and Implantable Medical Devices** 53  
Susan V. Bagen Endicott Interconnect Technologies, Inc.
  - **An Implantable Microchip-based Drug Delivery System** 74  
Norman F. Sheppard, Jr., Ph.D., MicroCHIPS, Inc.
  - **Custom IC Design for Implantable Medical Device Miniaturization** 85  
Andy Kelly, Cactus Semiconductor Inc.
- 

**SESSION THREE: EMERGING TRENDS IN COMPONENTS FOR MEDICAL ELECTRONICS**

Session Chair: Martin Birch, Microsemi Corporation

- **Applying Consumer RF Multi-Layer Ceramic Capacitor Technology to Portable Medical Devices** 102  
Mark R. Laps, KEMET Corporation
  - **Ultra Low-Power Wireless Technology for Bio-Sensors and Energy Harvesting** 118  
Reghu Rajan, Microsemi Corporation
  - **3M™ Twin Axial Cable Assembly for Medical Electronics Packaging** 132  
Charlie Staley, 3M Electronic Solutions Division
- 

**SESSION FOUR: REQUIREMENTS BEYOND ELECTRONICS TO BRING A PRODUCT TO MARKET**

Session Chair: Guna Selvaduray, San Jose State University

- **Human Factors and Medical Devices: Overview** 145  
Abe Mamaghani, Abbott Diagnostics
- **Risk Analysis and Risk Management of Medical Devices** 157  
George Nio, APOMed Consultants
- **Reimbursement for Medical Products: Ensuring Marketplace Success by Securing Coverage and Payment** 163  
Christopher J. Panarites, Ph.D., Abbott Vascular
