## Table of Contents Arranged by Day and Time

Note: Sessions are numbered as follows:

- First one or two letters indicates day (S=Sunday, M=Monday, Tu=Tuesday, W=Wednesday, Th=Thursday)
- Next letter indicates track/room (A-G for oral sessions, P for posters). Oral session rooms are as follows: A=Grand II, B=5<sup>th</sup> Avenue, C=Grand Crescent, D=Elliot Bay, E=Vashon I&II, F=St. Helens, G=Puget Sound)
- First numeric digit indicates order of session in the day (1 = early morning, 2=late morning, 3=early afternoon, 4=late afternoon)
- Numeric digits after the dash are unique abstract numbers indicating order within the session

For example, MA1-1 is the first talk in a Monday early morning oral session in track A and will be held in Grand II.
