# Table of Contents

---

## Association of Avian Veterinarians

### Section 1: AAV Plenary Sessions

---

Distribution of Nebulized Fluorescein-Labeled Propylene Glycol or Saline in Pigeons (Session #258) .....	3
Falcons, Falconry, and Waterfowl: A Novel Pathway for Influenza Viruses (Session #399) .....	5
Population Pharmacokinetics of Levetiracetam and Zonisamide in the African Grey Parrot ( <i>Psittacus erithacus</i> ) (Session #131) .....	7

### Section 2: AAV Hot Topics

---

Evaluation of the Thermal Antinociceptive Effects and Pharmacokinetics of a Sustained-release Buprenorphine Formulation in American Kestrels ( <i>Falco sparverius</i> ) (Session #135) .....	13
<i>Aspergillus pseudoviridinutans</i> : A Novel Cause of Psittacine Aspergillosis (Session #086) .....	15
Safety and Efficacy Trials of Copper Oxide Wire Particles and <i>Sericea lespedeza</i> in a Research Population of Ring-Necked Doves and a Captive Population of Green-Winged Doves (Session #243) .....	17
Rheological Properties of a Sustained-release Formulation of Butorphanol in a Poloxamer 407 Base and Pharmacokinetics in Amazon Parrots ( <i>Amazona ventralis</i> ) (Session #154/156) .....	19
Beating the Heat – the Australian Way (Session #328) .....	21
Testing Bird Hearing: Auditory Brainstem Responses of Diving Birds (Session #171) .....	23
Radiographic Evaluation of the Thoracic Girdle in Raptors Using a Novel Caudoventral 45° Craniodorsal Radiographic View (Session #224) .....	25
Evaluation of Treatment for Severed Blood Feathers in Chickens ( <i>Gallus gallus</i> ) (Session #163) .....	27
Student Manuscript Winner: Comparison of Various Avian Euthanasia Methods (Session #402) .....	29

### Section 3: AAV Technician Track

---

Bandaging and Wound Management in Exotic Animals (Session #267) .....	33
Monitoring and Caring for Your Avian Anesthesia Patient (Session #358) .....	39
Fecal Cytology (Session #366) .....	41
Client Handfeeding Education for the Veterinary Technician (Session #335) .....	45
Early Parrot Education: A Six-Stage Weaning Process (Session #349) .....	51
The Importance and Efficacy of Foraging Enrichment in Psittacine Birds (Session #254) .....	67
Avian Hematology: Sample Collection and Cytological Evaluation (Session #398) .....	69

## Section 4: AAV Research

---

Broken Blood Feather Occurrence and Treatment in Pet Birds (Session #148).....	79
Healthy and Feather-Damaging Grey Parrots Display Different Coping Styles (Session #259) .....	81
Pharmacokinetics of Amitriptyline HCL and Its Metabolites in Normal Healthy African Grey Parrots ( <i>Psittacus erithacus</i> ) and Cockatoos ( <i>Cacatua species</i> ) (Session #130).....	83
Environmental Stability of Avian <i>Bornavirus</i> : pH and Drying (Session #220).....	89
Experimental Infection of Peach-faced Lovebirds ( <i>Agapornis roseicollis</i> ) with Avian <i>Bornavirus</i> Genotypes II and IV (Session #162).....	91
Cardiac Troponin I as a Biomarker of Myocyte Injury in Turkeys (Session #345).....	93
Phylogenetic Characterization of a Novel Herpesvirus Found in the Liver and Lungs of a Neonatal Chilean Flamingo with Hepatomegaly ( <i>Phoenicopterus chilensis</i> ) (Session #297).....	95
The Identification of Novel Herpesviruses and Adenoviruses from Seabirds (Session #320) .....	97
Effects of Prolonged and Repeated Anesthetic Episodes on Owl Hematology (Session #053).....	99
Evaluation of Gastrointestinal Transit Times in Red-tailed Hawks ( <i>Buteo jamaicensis</i> ) Using Contrast Fluoroscopy (Session #206).....	101
A Retrospective Look at Outcomes of Raptors with Ocular Trauma (Session #022) .....	103

## Section 5: AAV Clinical

---

Endoscopically Obtained Biopsies of the Proventriculus and the Ventriculus in Pigeons ( <i>Columba livia</i> ) (Session #181) .....	107
Species Specificity of Adherent Lactobacilli Isolated from Psittacine Birds (Session #067).....	109
Infundibular Cyst Formation After Incomplete Salpingohysterectomy in a Chicken ( <i>Gallus gallus domesticus</i> ) (Session #036).....	115
Diagnosis and Treatment of Cushing’s Syndrome in a Senegal Parrot (Session #251).....	119
Retricectomy for Resolution of Feather Trauma in an Umbrella Cockatoo ( <i>Cacatua alba</i> ) (Session #211).....	121
Hypernatremia in an Umbrella Cockatoo ( <i>Cacatua alba</i> ) (Session #157).....	123
Steroid-Induced Remission of Thoracic Round Cell Tumor in a Green-Cheek Conure ( <i>Pyrrhura molinae</i> ) (Session #226) .....	125
Acrylic Stabilization for Psittacine Rhinothecal Fractures (The “Beak Helmet”) (Session #219).....	127
A Novel Surgical Approach to Avian Femorotibiotarsal Luxation Repair (Session #215) .....	133
Fatal <i>Baylisascaris procyonis</i> Infection in a Household Psittacine Flock (Session #114) .....	135
Surgical Laser Treatment of Squamous Cell Carcinoma (Session #184).....	137

## **Section 6: AAV Wildlife and Conservation**

---

Cardiac Evaluation in the Bald Eagle ( <i>Haliaeetus leucocephalus</i> ) (Session #068) .....	143
Viral Enteritis in Juvenile Black-capped Chickadees ( <i>Poecile atricapillus</i> ) in a Rehabilitation Setting (Session #180).....	145
Inflammatory Bowel Disease in a Harpy Eagle ( <i>Harpia harpyja</i> ) (Session #207) .....	149
Conservative Management of Proximal Humeral Fractures in Three Juvenile Raptors (Session #043).....	151
The Amazing Story of Ruapuke (formerly known as Lisa One), the Kakapo chick! (Session #326).....	155

## **Section 7: AAV Poultry**

---

Epidemiology of a Pet Chicken Population (Session #369) .....	159
Outbreak of Infectious Bronchitis Virus in a Flock of Backyard Chickens (Session #373).....	163
Listeriosis Outbreak in a Backyard Chicken Flock (Session #223) .....	165
Surgical Resolution of a Complicated Septic Yolk Coelomitis and Oviductal Impaction in a Pet Chicken ( <i>Gallus gallus domesticus</i> ) (Session #270) .....	167
Web Sparing Amputation of the Third Digit of a Duck (Session #059) .....	169

## **Section 8: AAV Master Classes Track 1**

---

Disease Conditions, Clinical Signs and Treatment Modalities of Large Pet Birds (Session #218).....	173
The Basics of Raptor Care (Session #299) .....	187
Birds With Big Bellies: What Do I Need to Know? (Session #286) .....	203
Laser Therapy in Avian Patients (Session #194) .....	211

## **Section 9: AAV Master Classes Track 2**

---

Physical Examination and Diagnostic Testing of Aquatic Animals (Session #263).....	217
Dealing with Parrot Intelligence and Cognitive Abilities in Daily Practice (Session #170A).....	227
Cognition in Grey Parrots: Reasoning by Inference in Studies on Exclusion (Session #170B).....	235
Juvenile Raptor Medicine (Session #072) .....	243

## **Section 10: AAV Master Classes Track 3**

---

Sedation in Pet Birds (Session #285).....	253
Avian Bornaviral Ganglioneuritis in Clinical Practice (Session #255).....	259

Critical Thinking and Clinical Reasoning in Exotic Animal Medicine (Session #250) .....	273
Gastrointestinal Anatomy and Physiology of Birds of Prey (Session #129) .....	275
Are Your Numbers Real? How to Design an In-House Quality Control Plan for Your Veterinary Laboratory (Session #310).....	285

### **Section 11: AAV Master Classes Track 4**

---

Dealing with Parrot Intelligence and Cognitive Abilities in Daily Practice (Session #172) .....	295
When You Thought it Could Not be Reproductive Disease (Session #337).....	297
Backyard Poultry: Practical Information You Can Use, Presented by Systems (Session #166) .....	303
Disaster Planning for Pets (Session #204) .....	309

### **Section 24: Hybrid**

---

Conservation of Highly Mutated Cancer Genes in Exotic Species (Session #307) .....	543
Standards of Care and Written Protocols in a Multi-Species Practice (Session #213).....	545
Training Animals to Accept Oral Medications and Injections without Restraint (Session #029) .....	54;
Endoscopy 101: Why and How to Add Endoscopy to Your Exotic Practice (Session #048).....	0557
Integumentary Wound Healing and Management Techniques for Exotic Pets (Session #274).....	349
GnRH Agonists in Avian and Exotic Patients: Opportunities and Challenges (Session #187) .....	355

### **Section 26: AAV Addendum**

---

House Officer Manuscript Winner: Effects of Manual Restraint and Hooding on Physiologic Parameters in Red-Tailed Hawks (Session #405).....	363
---	-----

## Pre-conference Sessions

### Section 1: A Bird in the Hand - Foundations in Avian Medicine

If You Build It, They Will Come: Guidelines for Developing an Avian Practice (Session #390).....	3
History, Handling and Restraint, Grooming, and the Physical Examination (Session #391).....	5
Covering Husbandry: How to Make it Through Everything and Stay on Time (Session #378) .....	13
The Utilization of Practical Clinical Pathology for Diagnostic Success (Session #394) .....	21
Avian Anesthesia, Analgesia and Sedation (Session #377) .....	27
Take Your Best Shot: Using Radiography to Enhance Your Avian Practice (Session #388).....	31
Basic Diagnostic and Therapeutic Decision Making: A Guide to Apply Evidence-Based Veterinary Medicine in Your Practice (Session #382).....	39

### Section 2: Systems...Systematically

Understanding and Treating the Respiratory System (Session #387).....	53
Avian Gastrointestinal Tract: Interaction of Anatomy and Physiology with Disease and Treatment (Session #386).....	67
The Avian Reproductive Tract (Session #385) .....	73
Avian Renal Anatomy, Physiology, and Diseases (Session #380).....	81
The Avian Central Nervous System for the Neurologic Exam (Session #381) .....	89
Evaluating the Avian Integument: A Physical and Behavioral Approach (Session #379).....	97
