2015 Military Communications and Information Systems Conference (MilCIS 2015)

Canberra, Australia
10 – 12 November 2015

IEEE

IEEE Catalog Number: CFP15675-POD
ISBN: 978-1-4673-7009-7

An Onion Approach to Cyber Warfare Training ***1***
Daniel J. Clark

Autonomy and Self-Organisation for Tactical Communications and Range Extension ***5***
Robert Hunjet

UNSW-NB15: A Comprehensive Data set for Network Intrusion Detection systems ***10***
Nour Moustafa, Jill Slay

On the Evaluation of Military Simulations: Towards A Taxonomy of Assessment Criteria ***16***
Mario Golling, Robert Koch, Peter Hillmann, Volker Eiseler, Lars Stiemert, Andres Rekker

Capacity Planning for Tactical Wireless Mesh Networks ***23***
Matthew Britton, Andrew Coyle

Enhancing Wireless Communications with Software Defined Networking ***29***
Marian Mihailescu, Hung Nguyen, Michael R. Webb

System Dynamics Modelling of Situation Awareness ***35***
R. Oosthuizen, L. Pretorius
