Excursion - Guided tour of the Convento de Cristo (a UNESCO World Heritage Site), Tomar's most famous landmark. The Convento is on a hill overlooking town, within easy walking distance of the hotel. The Convento combines architectural styles from the 12th through 17th centuries. An ornate octagonal canopy protects the high altar of the Templo dos Templares, modeled after the Holy Sepulchre in Jerusalem. The grounds of the convent contain eight cloisters embracing a variety of styles. After the Convento de Cristo, the tour will continue in the historic area of Tomar.
