

# **4th Forum in Research, Science, and Technology (FIRST-T1-T2-2020)**

**Synergy of Applied Technology for  
Social-Technopreneur Based on Local  
Resource to Generate Sustainability  
Development**

Held online due to COVID-19

Atlantis Highlights in Engineering Volume 7

Palembang, Indonesia  
10-11 November 2020

## **Editors:**

**Deris Stiawan  
Nyayu Latifah Husni**

**Tresna Dewi  
Ade Silvia Handayani**

ISBN: 978-1-7138-2873-0

## TABLE OF CONTENTS

|                                                                                                                                                                                |    |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----|
| THE EFFECT OF FLY ASH AS A PART CEMENT INSTITUTION ON HIGH QUALITY CONCRETE FC'35 .....                                                                                        | 1  |
| <i>Herlinawati, Sazili Harnawansyah, Bastoni Hasasi, Radius Pranoto</i>                                                                                                        |    |
| PARTIAL SUBSTITUTION OF CEMENT USING FLY ASH AND CARBITE WASTE IN NORMAL CONCRETE MAKING .....                                                                                 | 8  |
| <i>Darma Prabudi, Kosim, Zainuddin, Raja Marpaung</i>                                                                                                                          |    |
| RESTFUL WEB SERVICE AS DATA GENERATOR FOR REPORTING OF ACADEMIC INFORMATION SYSTEM .....                                                                                       | 15 |
| <i>M. Miftakul Amin, Slamet Widodo, Adi Sutrisman, Ervi Cofriyanti, Ali Firdaus</i>                                                                                            |    |
| SEARCH SOFTWARE FOR USTADZ, CATEGORIES: PREACHER, QARI AND QARIAH IN PALEMBANG USING AN ANDROID-BASED USABILITY APPROACH.....                                                  | 20 |
| <i>M. Rudi Sanjaya, Yadi Utama, Dedy Kurniawan, Ariansyah Saputra, Novita Sari, Rahma Destriani, Muhammad Raihan Udda Rahmany</i>                                              |    |
| EFFECT OF TEMPERATURE ON BIOFUELS PRODUCTION WITH CATALYTIC CRACKING PROCESS .....                                                                                             | 29 |
| <i>Ka Ridwan, M Anerasari, Taufik Jauhari, Ida Febriana</i>                                                                                                                    |    |
| DESIGN AND PROTOTYPE OF PAVING BLOCK MAKING MACHINE .....                                                                                                                      | 33 |
| <i>Ella Sundari, Soegeng Witjahjo, Eka Satria Martomi, Dodi Tafrant</i>                                                                                                        |    |
| DATALOGGER EXPERIMENTAL ANALYSIS BASED ON ARDUINO MEGA 2560 ON A 100 WP MONOCRYSTALLINE SOLAR PANEL USING PERFORATED PLATE .....                                               | 40 |
| <i>W. Adipradana, A. Sofijan, Rahmawati, I. Bizzy, R. Sipahutar, M. A. Fajri</i>                                                                                               |    |
| INDEX OF RETAINED STRENGTH AND WEIGHT LOSS ON FLEXIBLE PAVEMENT AC-WC AND HRS-WC USING POLYMER PRODUCTS ETHYLENE-VINYL-ACETATE (EVA) AND STYRENE-BUTADIENE-STYRENE (SBS) ..... | 44 |
| <i>Mirka Pataras, Edi Kadarsa, Y Debby Permata, Shara Khairunnisa, M. Alief Akbar, Yondhika Pratama</i>                                                                        |    |
| INVESTIGATION STUDY OF PRESSURE DIFFERENT EFFECT AT EVAPORATOR IN ORGANIC RANKINE CYCLE SIMULATOR (ORCS) USING LOW-GRADE WASTE HEAT .....                                      | 56 |
| <i>Mochamad Denny Surindra, Wahyu Caesarendra</i>                                                                                                                              |    |
| BLACK BOX TESTING USING EQUIVALENCE PARTITION METHOD IN SINTANA APPLICATION.....                                                                                               | 65 |
| <i>Yayuk Ike Melani, Mahmud</i>                                                                                                                                                |    |
| PROTOTYPE OF SMALL SAVONIUS WIND TURBINE .....                                                                                                                                 | 72 |
| <i>Ozkar F. Homzah, Tri Widagdo, Mardiana, Ibnu Asrofi, Destra A Pratama</i>                                                                                                   |    |
| FILTRATION AND ELECTROCOAGULATION AS A COMBINED PROCESS FOR ELECTROPLATING WASTEWATER .....                                                                                    | 78 |
| <i>Rusdianasari, Yohandri Bow, Adi Syakdani, Muhammad Taufik</i>                                                                                                               |    |
| NEW NAVIGATION STRATEGY FOR G-BOT .....                                                                                                                                        | 84 |
| <i>Nyayu Latifah Husni, Qodri Maulana, Ekawati Prihatini, Ade Silvia Handayani, Firdaus, Masayu Anisah</i>                                                                     |    |

|                                                                                                                                                                |     |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------|-----|
| PRODUCTION OF BIODIESEL FROM UNREFINED PLANTS-DERIVED OIL BY ASPERGILLUS ORYZAE EXPRESSING BACILLUS THERMOCATENULATUS LIPASE AS A WHOLE-CELL BIOCATALYST ..... | 95  |
| <i>Nova Rachmadona, Martha Aznury, Chiaki Ogino</i>                                                                                                            |     |
| QUALITY MEASUREMENT EVALUATION OF THE POLSRI LEARNING MANAGEMENT SYSTEM WEBSITE USING IMPORTANCE PERFORMANCE ANALYSIS (IPA) METHOD .....                       | 98  |
| <i>Irma Salamah, Lindawati, Asriyadi, M. Fadhli</i>                                                                                                            |     |
| PROTOTYPE DESIGN OF LANDSLIDE EARLY DETECTION SYSTEM USING LORA AND IOT .....                                                                                  | 102 |
| <i>Ahmad Taqwa, Mohammad Fadhli, Sopian Soim, Ade Silvia Handayani, Suroso</i>                                                                                 |     |
| TOFU INDUSTRIAL WASTEWATER TREATMENT BY ELECTROCOAGULATION METHOD .....                                                                                        | 107 |
| <i>Ibnu Hajar, Fadarina, Mustain Zamhari, Selastia Yuliaty</i>                                                                                                 |     |
| THE EFFECT OF THE CATALYST (NAOH) ON THE PROCESSING OF WASTE USED OIL INTO LIQUID FUEL.....                                                                    | 113 |
| <i>Azharuddin, Syafei, Didi Suryana, Hb Indra, M R Rahmaddy, Y Pratomo, M A Ariasya</i>                                                                        |     |
| DESIGN OF ELECTRONIC INSTRUMENTS AS TOOLS AIR POLLUTION DETECTION.....                                                                                         | 118 |
| <i>Ali Nurdin, Jon Endri, Ibnu Ziad, Ciksadan</i>                                                                                                              |     |
| AIR DETECTION ENVIRONMENT SYSTEM (ADEV) ANDROID-BASED APPLICATION DETECT AIR QUALITY LEVELS IN PARKING AREA.....                                               | 123 |
| <i>Ade Silvia Handayani, Sopian Soim, Al Fatur Sayid Muhammad, Nyayu Latifah Husni, Rumiasih, Rosmalinda Permatasari, Andry Meylani</i>                        |     |
| BENDING TEST GALVALUM COLD FORMED STEEL BEAM WITH VARIATION MORTAR AND REINFORCEMENT BARS.....                                                                 | 132 |
| <i>Fadhila Firdausa, Sri Rezki Artini, Ahmad Syapawi, Puryanto</i>                                                                                             |     |
| PROTOTYPE DEVELOPMENT OF MOTORBIKE TOWING HOOK TOWARDS AUTHORIZED MECHANIC PERCEPTION AND INVESTIGATION.....                                                   | 137 |
| <i>Rahman Hakim, Muhammad Hasan Albana, Widodo, Hanifah Widiastuti, Wahyu Caesarendra</i>                                                                      |     |
| DESIGNING A WEB-BASED ONLINE TUTORING APPLICATION IN PALEMBANG CITY USING THE SUS (SYSTEM USABILITY SCALE) METHOD.....                                         | 143 |
| <i>M. Rudi Sanjaya, Ariansyah Saputra, Bayu Wijaya Putra, Novita Sari, Rahma Destriani, Muhammad Raihan Udda Rahmany</i>                                       |     |
| CONTINGENCY ANALYSIS ON 150 KV ELECTRICITY POWER SYSTEM ON THE MADURA ISLAND BASED ON THE IP1Q METHOD .....                                                    | 149 |
| <i>Moh Zainul Falah, Sujito, I Made Wirawan</i>                                                                                                                |     |
| ANALYSIS OF THE IMPACT OF PALEMBANG-INDRALAYA (PALINDRA) TOLL ROAD TO PALEMBANG – INDRALAYA NATIONAL ROAD SERVICE LEVELS .....                                 | 155 |
| <i>S Nisumanti, S Mulyaningsih, N Puspita</i>                                                                                                                  |     |
| STUDY OF TEMPERATURE AND USE OF CATALYSTS IN THE PYROLYSIS OF LDPE PLASTIC WASTE ON THE QUANTITY OF OIL FUEL PRODUCTS PRODUCED .....                           | 162 |
| <i>Novarini, Rusdianasari, Yohandri Bow, Sigit Kurniawan</i>                                                                                                   |     |

|                                                                                                                                                                     |     |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----|
| PUBLIC SERVICE ANNOUNCEMENT IMPLEMENTATION OF LEARNING AT THE SRIWIJAYA STATE POLYTECHNIC IN MINIMIZING THE RISKS AND IMPACTS CAUSED BY THE COVID-19 PANDEMIC ..... | 167 |
| <i>Alan Novi Tompunu, Nelly Masnila, Zakaria, Azwardi, Ainun Nabila</i>                                                                                             |     |
| IMAGE PROCESSING SYSTEM FOR PH CLASSIFICATION USING BIOSENSORS.....                                                                                                 | 174 |
| <i>Faiz Syaikhoni Aziz, Sujito, Aji Prasetya Wibawa, I Made Wirawan, Aripriharta, Abdullah Iskandar Syah, Tran Huy Duy</i>                                          |     |
| BIOMETRIC FINGERPRINT IMPLEMENTATION FOR PRESENCE CHECKING AND ROOM ACCESS CONTROL SYSTEM.....                                                                      | 179 |
| <i>Selamat Muslimin, Yudi Wijanarko, Lucky Indra Kesuma, Renny Maulidda, Yordan Hasan, Abdurrahman, Hasan Basri</i>                                                 |     |
| DESIGNING AUGMENTED REALITY-BASED COMPUTER DEVICES LEARNING MEDIA ON ANDROID PLATFORM.....                                                                          | 184 |
| <i>Dony Novaliendry, Arif Subagia, Titi Sriwahyuni, Fegie Y Wattimena, Axelon S Renyaan, Ceng-Hong Yang, Putra Jaya</i>                                             |     |
| EFFECT OF FEED COMPOSITION AND PRODUCT QUANTITY OF CO-PROCESSING REFINED BLEACHED DEODORIZED PALM OIL (RBDPO).....                                                  | 193 |
| <i>Juarsa, Aida Syarif, Leila Kalsum</i>                                                                                                                            |     |
| OIL PALM EMPTY BUNCHES AS AN ALTERNATIVE RAW MATERIAL FOR MAKING BIOPLASTICS.....                                                                                   | 199 |
