Track 5: Environmental Risk Assessment.....	243
Track 6: Engineering, Remediation and Restoration	303
Track 7: Policy, Management and Communication	314
Track 8: Systems Approaches.....	336
Author Index.....	348
Affiliation Index	363
Keyword Index	369

This book comprises the abstracts of the presentations for the platform and poster sessions of the Society of Environmental Toxicology and Chemistry (SETAC) North America 42nd Annual Meeting, conducted virtually from 14–18 November 2021. The abstracts are reproduced as accepted by the Scientific Program Committee and appear in numerical order.

In each abstract, the presenting author's name is underlined. The author index cross-references the corresponding abstract numbers.
