# Table of RADECS 2024 Data Workshop papers

These papers were submitted to the Conference Review Committee and appear in the RADECS 2024 Radiation Effects Data Workshop Record in IEEE Xplore (Conference Section, RADECS 2024 Radiation Effects Data Workshop).

Their DOI appear in the bottom of their first page, first column.

|                                                                                                                                                                                               |           |
