# TABLE OF CONTENTS

## **DATA SCIENCE MEETS PRODUCTION**

|                                                                                                                                                     |    |
|-----------------------------------------------------------------------------------------------------------------------------------------------------|----|
| Automated QA/QC in Unconventional Assets .....                                                                                                      | 1  |
| <i>Raj K. Singh, Joshua E. Kaus, Emmanouil Karantinos, Neal L. Adair, Andrea L. Villarreal</i>                                                      |    |
| Integrated Field Control: An Autonomous and Real-Time Field Operation .....                                                                         | 15 |
| <i>J. C. Serrano, R. A. Shishavan, B. J. Hager, D. A. L. Gomez, J. R. Ludena, R. R. Martinez, E. Saenz, H. S. Karimi, Z. Wardeh, J. A. Williams</i> |    |
| Physics-Informed Agentic AI: An Intelligent Assistant for Production Management and Optimization .....                                              | 32 |
| <i>A. Zejli, A. Lin, B. Calva, M. Noh, P. Miller, R. Ranjith, V. Rai, P. Palanisamy, Y. Lin, B. Partington</i>                                      |    |

## **OPERATIONAL EXCELLENCE THROUGH INNOVATION IN THE PERMIAN BASIN**

|                                                                    |    |
|--------------------------------------------------------------------|----|
| Utilizing Smart Plungers to Test Long Term Chemical Efficacy ..... | 57 |
| <i>J. Burke, J. R. Jones, P. Carman, A. Davis</i>                  |    |

## **KNOWLEDGE SHARING EPOSTERS I**

|                                                                          |    |
|--------------------------------------------------------------------------|----|
| Novel Gas-Liquid Co-Injection EOR Process Enters the Permian .....       | 78 |
| <i>S. L. Scott, D. Schechter, G. Pospisil, Brandon Moore</i>             |    |
| Cathodic Protection and Well Casing Integrity in the Permian Basin ..... | 92 |
| <i>Clay Brelsford</i>                                                    |    |

## **KNOWLEDGE SHARING EPOSTERS II**

|                                                                                                                |     |
|----------------------------------------------------------------------------------------------------------------|-----|
| Thermal Treatment Innovations for High-TDS Produced Water: A Multidisciplinary Path to Sustainable Reuse ..... | 110 |
| <i>Berna Hascakir</i>                                                                                          |     |
| Novel Ester Based Surfactant to Enhance Oil Recovery in Tight Oil Reservoirs .....                             | 120 |
| <i>A. Castel, J. Deligny, P. Struelens</i>                                                                     |     |

## **KNOWLEDGE SHARING EPOSTERS III**

|                                                                                                                                       |     |
|---------------------------------------------------------------------------------------------------------------------------------------|-----|
| First In-Situ Combustion Test in the Permian Basin .....                                                                              | 139 |
| <i>Hao Ye, Leila Karabayanova, Eduardo Orozco, Murad Hajiyevev, James Franks, Todd Benson, Joe Bauman, Chris Lane, Berna Hascakir</i> |     |
